A Complete Digital Recording System

Tablet Recorder 9 captures clear, digital audio and video, while being simple to operate. Ideal for recording government meetings for faster preparation of minutes, and detailed review.

Ready To Use

No special setup is required. Tablet Recorder 9 has Gov Recorder 9 software pre-installed, and is ready to use straight out of the box. Turn on the computer, plug in the microphones, and start recording.

Advanced Recording Technology

Tablet Recorder 9 with Gov Recorder 9 provides the most advanced technology, with digital recording, reliability, and security. A customized microphone kit is included with the system, tailored to provide optimal coverage of the meeting rooms where it will be used.

Gov Recorder 9 Software Included

- Board Meetings
- Business Meetings
- Planning Workshops
- Confidential Interviews
- Employee Reviews

Microphone Kits

Microphone options are available to meet the needs of any meeting environment.

Video Recording Option

Camera and encoder options are available to capture digital video along with the audio recording.
